

## **REGION TRAINING PLAN**

**4072**

(No. 30 April 2013)

The Region Training Plan will provide administrative coordination for Unit and Program trainings to support the department's policies and procedures.

## **REGION TRAINING RESPONSIBILITIES**

**4072.1**

(No. 30 April 2013)

- Provide administrative support for region training center(s).
- Provide resources to assist with the development of departmental training curriculum.
- Provide ICS-300 level courses, JAC training and coordination, SFM Level II courses, Instructor training, C-Level Chainsaw and Train-the-Trainer courses.
- Ensure consistent training and policy delivery amongst the Regions and Units.
- Implement procedures for the most successful outcome and quality of the instructional and learning experience.
- Coordinate the training needs to maximize efficiency amongst all Units and Regions.
- Evaluate all training and trainees to ensure that the training meets course objectives.
- Provide support and coordination of regional cadre workshops.
- Provide coordination and implementation of the Priority Trainee Program.
- Ensure a minimum ICS certified workforce exists in the region ERD to support the Department's mission.
